The petitioner applied for revaluation of his final year B.B.A. examination answer paper. The petitioner complains of delay in completion of the revaluation process. The learned Standing Counsel appearing or the University submits that there is no delay at all since the the results were published on 13.7.2007. He further submits that the University would require at least two more months' time to complete the revaluation process.

2. Having heard both sides, I dispose of this writ petition with a direction to the respondents to complete the revaluation process for which the petitioner has applied for and publish the results thereof, as expeditiously as possible, at any rate, within six weeks from the date of receipt of a copy of this judgment. The scrutiny for which the petitioner has applied for shall be completed within a period of one week from the date of receipt of

a copy of this judgment. If there is any provision for supplying copy of the answer paper to the petitioner, the same shall be done within two weeks from the date of payment of necessary fees for the purpose.

The writ petition is disposed of as above.
